TIGERS BOYS BASEBALL NEWS

8th Grade

The first playoff game for the 8th grade boys is Friday afternoon after school, and too late for this issue.

7TH GRADE

Ted the Tiger ,mascot for Transfiguration back in action for the 7th grade baseball team. The boys made it into playoffs based on their great showing during the regular season. They hosted the first game at LaPlante Field against Nativity. Oooohh, I so do not like Nativity. It's a long history that goes back to my days as a wee cub in the concrete jungle. But back to the game. The first inning found the Tigers as the home team and taking the field first. The Nats put up 1 run in the top of one to get things started. The Tigers were just fine with that knowing that they are a solid offensive team. That is until King Kong walked to the pitching mound. How big was he you might ask? He was so big that he tickled the catcher's nose when he released the ball. He came in a threw hard to shut the Tigers down in the bottom of the inning. Inning two was a little tougher for the Tigers who then spotted the Nats an additional four runs to go down 5-0. Offensively, the Tigers were battling against Andre the Giant and were able to get runners on base in several of the next innings and score a run but they just couldn't string enough together to start cracking the door open more. Defensively, the Tigers were solid for the rest of the game only allowing one more run. The three wise coaches of Moynagh, Lorenz and Celski (sounds more like a law firm), pulled the kids together before the bottom of the 6th inning. "Now is the time. We believe in you. Go out there and finish this." In the bottom of the 6th, the Tigers started to mount a comeback and got a run across the plate, but the behemoth of a pitcher stayed in for the whole game to shut us down in the end. All three coaches wanted me to let everyone know how proud they were of this group of kids and how great the parents were for the whole season.

TIGERS GIRLS SOFTBALL NEWS

8TH GRADE

It seemed like our season had just started, and it is already come to an end. Unfortunately, our record was not as good as we would've liked to see it, ending with a 0-6 record. Even with the losses, this team never gave up and always kept fighting. Definitely a great group of girls, many of them who have been playing since 5th grade, when we were the CAA champions! I have been blessed to have coached these girls for the past 4 years and wish them all the best as they move on to the next phase of their lives.

6th Grade

Congratulations to the 5th & 6th Grade girls Softball team for making the CAA playoffs! We were matched up against the Aggies of St. Agnes in our semi-final game. The girls played great in all aspects of the game and defeated the Aggies 12-5. We are scheduled to play the winner of the other semi-final game (St. John the Baptist/St. Charles) in the championship on Friday June 1st. Stay tuned to see if the girls are able to claim the CAA 6th Grade Softball Championship!
