VOLUNTEERS

Through out the year there are needs for volunteers. In past years the people that have volunteered have been a great help. By doing so it reduces the costs in the Athletic program, plus it bring families together creating a stronger community. Any games in the gym are examples of events where we can use people on the scoreboard. And during tournaments we host and playoff games that are here we not only use people on the scoreboard but also at the gate. In addition, the Booster Club will look to sell concessions whenever they can.

Stay alert and enter SUG (Sign Up Genius) to select your choices. Thanks.

TIGERS SOCCER NEWS

8th & 7th Grade

The registration form is attached to this newsletter.

Based on last year it appears that the numbers will require us to combine the 8th and 7th grade into one team this fall. All of the soccer teams can be co-ed if there are not enough to have just a girl's team and a boy's team.

All coaches and assistants need to be current with the VIRTUS training.

6th Grade

Based on last year's number of students playing there is little chance that there will be a team made up of just 6th graders. So it may be necessary to combine with the 5th graders.

All coaches and assistants need to be current with the VIRTUS training.

For all the teams registration forms and payments need to be submitted before the first game. Don't miss out on all the team practices, get your forms and payments in as soon as possible. Plan on games beginning sometime around 09/08. The coaches will have the schedule about the same time as I get a copy. It will important to stay in touch with the families, students and coaches—a three way communication process.

TIGERS VOLLEYBALL NEWS

This fall it appears that we might have a 8th and 7th grade combined team. Volleyball is another sport where we can field a team that is co-ed.

Based on last year we might well have players for a 7th and 6th grade combined team. But if more sign up then we will look at splitting into each grade having a team. There could be a 5th grade team as well.

All the coaches and assistants need to be current with the VIRTUS training.

Athletic Director

A new school year is about to begin and with it the fall sports. Welcome back to all the families from last year as well as the new families to our school. Watch for volunteering opportunities. Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

I have attached the sports registration form that shows the teams we will be looking to field in the fall season. Notice that it is two pages. If we don't get enough student athletes to sign up with the team of their choice there is the possibility of combining grade levels or joining with another nearby school which also might be short of fielding a full team. The CAA will put together the schedule for each of our teams. Once that is released then the information can be shared with the coaches, players and families.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts. I have also attached the Fall Registration form that can be used now. Forms can be mailed to me at the school or dropped off beginning 08/22/16. Notice that the form has been modified at the request of the School's insurance company.

In a few months there will be an announcement about winter sports registration.

Any questions can be directed to me. GO TIGERS!!!!!!
