VOLUNTEERS

Through out the year there are needs for volunteers. In past years the people that have volunteered have been a great help. By doing so it reduces the costs in the Athletic program, plus it brings families together creating a stronger community. Any games in the gym are examples of events where we can use people on the scoreboard. And during tournaments we host and playoff games that are here we not only use people on the scoreboard but also at the gate. In addition, the Booster Club will look to sell concessions whenever they can. Stay alert and enter SUG (Sign Up Genius) to select your choices. The VB season is starting to show up in SUG, it is subject to change though. See the link on page 3. Thanks.

TIGERS SOCCER NEWS

8th & 7th Grade

The first home game of the season saw the Tigers taking on Liberty. They looked more like a basketball team. They were successful at the long ball and crossing the field. The Tigers trailed 5—1 at half. The team came out strong and scored within seconds of the half starting. Sam moved his way through the defense and scored. But Liberty cam back and scored again. We kept the pressure on and Jordyn scored on a corner kick after the ball made it through a few legs and right in front of her and she buried it. The final was 8—3.

The second game was on Monday night at the St. Odilia field against ICS. Again we had 11 players (one was a 4th grader). ICS has always liked to run, a lot. ICS was ahead at half 2—0. The second half saw the players turn up the pressure. We got on the board when Sam darted through several players and scored. However, a little later ICS got their third goal. We didn't stop trying and Zach got in close and scored. But once again ICS got a goal to make the final 4—2.

6th/5th & 4th Grade

The finally got on thee field again on Sat. against St. Rose. Everyone showed up and everyone played. The coach got a chance to put players into positions they normally don't play. A couple players (Henry and Garrett) got the Hat Trick. St. Rose was missing a couple of players because of illness and injury. They played with 11 and got tired after awhile. Next game on Sat. at 11:20am at home.

TIGERS VOLLEYBALL NEWS

8th Grade

The eighth grade girls started the season on a high note. We traveled to North St. Paul for a game with St. Peter. Game Started out fast for St. Peter going up 10-5 but our tigers were not going to back down, behind the serving of Sami "Ace" McMenomy the lady tigers stormed back to win the first set 25-20. We carried that momentum to the next game with an 25-16 win for the match, the girls setting and spiking were on display in this game crushing the ball. St. Peter had no answer for our aggressive play. It was nice to get the first game jitters out with a great win.

On a high from winning our first game we traveled to Highland Park for a much anticipated match up with Highland Catholic. The lady tigers came out a little flat to start the set but rallied back to tie at 14-14. Highland then went spiking clinic to win the first set 25-16. We had to get a little pep in our step to get ready for the second set. The tigers came out strong with key saves from Kendall "never give up" Buffalo, couple nice spikes from Cali "bone crusher" Quinlan and some key sets from Ella "not today" Feaman. The game was close all the way to the end but the lady tigers ended up losing this set 25-21. We played very good but just couldn't keep up with Highlands front-line which averaged height seemed like six-foot eight. Overall great first week of games.

7th Grade

It was a first tough game for our lady tigers. We traveled to St. Peter in NSP for our first game. We started out strong with some great serving from Ella "that's in" Geelhoed and keep it going until late in the first set. Lost the first set 25-18. The girls were determined to get back on track and bring the second set home. It was a hard fought battle back and forth but the lady tigers ended up coming up short and lost the second set 25-22 to lose the match. Even though we lost the girls played great and we will build on this to get better.

It was time to forget about our first lost and get ready for Highland Catholic. The lady tigers put in a great practice Tuesday to get ready for Highland. The atmosphere was buzzing with excitement and I think the lady tigers were ready to build on it. First set started slow and we came out a little flat. The set was close but we ended up losing the set 25-20. Second set started with the lady tigers jumping out to a 5-0 lead and never looking back. behind the great serving of Kara "fireball" Sheeser the lady tigers took the second set 25-15. It was a great comeback to tie the sets 1-1 and set up an epic final game. Both teams came out strong, putting it all on the line to see who would win the game. Our lady tigers were scraping, diving and spiking all over the court. They had no fear even with the home crowd cheering so loud i couldn't hear myself think. With the scored tied at 14-14 Daniella "never give up" Johnson stepped up to serve and hopefully seal victory. The serve went back left shaking like a knuckle-ball no way for Highland to control the ball, it hit a player and went out-of-bounds. 15-14 lady tigers we just needed one more point for the set and game. It ended up being a fierce volley back and forth with some key saves from Rhiannon "pancake" O' Neill and Addie "bumping machine" Teeters. When the smoke cleared it looked like the lady tigers were going to lose the point after the ball went into the net, but some how Ella "this is my house" Geelhoed made a unbelievable save that barely made it over the net and landed on the line. Set over lady tigers win!!!!!! Great excitement to end the week of games.

Tigers Athletic News

6th Grade

We are off to a great start this volleyball season! Despite only having two practices, we really gave St. Patrick's a run for their money this past Monday. We were unable to win against them, but we really had some excellent performances by several of the girls. A few were scared to try serving in a real game, but we had one player get five excellent serves in a row- that helps others get past some of those starting nerves!

This week we are working on our serving skills and our reaction time. Serving can be very difficult since you need to keep your arm steady, hit the ball at just the right angle, and give it just the right amount of power to get it over the net. However, it is worth the effort to keep on practicing- most points are won off your own serve!

Overall, I was quite impressed by my team on Monday. I know it was a lot to ask after only two practices, but they went in and did an excellent job. We have another game today and a tournament this weekend, so I am excited to see them grow and start pushing forward.

-Coach Lunde

Athletic Director

Watch for volunteering opportunities. Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts.

In a few weeks there will be an announcement about winter sports registration.

Any questions can be directed to me. GO TIGERS!!!!!!!

Attached is the form from the Booster Club. They are always looking for new members and for people to continue being members. The Booster Club is a BIG help to the school and our Athletic programs.

TIGER PRIDE BOOSTER CLUB

2018-2019 MEMBERSHIP APPLICATION FORM

Tiger Pride Booster Club (TPBC) directly supports Transfiguration Catholic School's athletic programs, facilities, and teams. Booster Club sells concessions at volleyball and basketball games and hosts a spring golf tournament. Other activities are coordinated as requested by Transfiguration School administration. The Booster club strives to aid all athletes at Transfiguration and enable them to compete at the highest possible level. Your support is essential to achieve that goal and is greatly appreciated.

Please consider membership in our organization. We have two levels of membership.

Gold Level: \$75 -- includes an exclusive TPBC beanie, insulated mug, and \$10 off TPBC golf tournament registration.

Black Level: \$50 -- includes an insulated mug.

Members:

- assist with the Booster Club fundraisers
- enjoy socializing with other members
- support Transfiguration School athletics

Tiger Pride Booster Club is a 501(c) tax-exempt organization and your donation is considered a charitable contribution. Thank you in advance for your consideration and GO TIGERS!
