TIGERS SOCCER NEWS

8th & 7th Grade

The Tigers took on St. Mark on Monday night on our field. We played them even for most of the first half. However, St. Mark did net a goal late in the half and score stood 1—0 at the half. The second half started the same way as the game began. But St. Mark netted another goal after a scramble in front of the net to make it 2—0. The game went on the Tigers began to feel the pressure of trailing and tried to force the ball towards the opponents end. With some quick turn arounds St. Mark would come back down the field and shot towards our net. After awhile it appeared our legs got heavy. Then St. Mark scored again. Soon it went to 3—0 and then 4—0. Finally late in the game they scored one more goal for a final of 5—0.

Next up is Thursday night after school against St. Croix Catholic. The temperature was just right for soccer. Both teams came out with energy. We were at 11 players, so no subs for us. They picked up two goals in the first half and we came back with a goal ourselves. At half time it was 2—1. St. Croix scored and when up 3—1. Kara “take one for the team” S got kicked in the leg below the knee and had to leave the game. St. Croix was nice enough to play 10 v 10. Zach “on the fly” F got a goal back for us to make it 3—2. Then with only a few minutes left in the game and us pressing to try and get the equalizer, St. Croix got one last goal. So the final was 4—2. We played well as a team. There were many chances to score for us, but couldn’t get one past their goalie.

The Sat. game is at SPA.

6th/5th & 4th Grade

The team took on the 6th grade team from HM. It was a very close encounter of the best kind. One team would score and then the other team would come back and score. At the half it was 1—1. Both teams played hard, never giving up. Late in the game with the Tigers trailing 3—2. Nate “Hard Nose” D took an elbow to the face in the box. We took a PK. However, the ball went high, just barely clearing over the cross bar. And that is how the game ended.

The game this Sat. is postponed right now. The coach and AD are trying to get the game rescheduled with Frassati but no date yet. We are trying to get the game here on our field. When it gets set the word will go out to all the players families.

8th Grade

It was nice to be back at Transfiguration gym to start a four game home-stand. First up was a St. Agnes squad that was primed and ready to try and squeeze a win out at our gym. First set was a back and forth chess game, but in the end St. Agnes came out on top with the win. The lady tigers put up a heck of a fight in the second set with a couple of key plays from Jadya "what's my name" Lowrie and some key serves from Mikayla "spike it on the" Chinn, but it wasn't enough and the lady tigers fell 2-0.

The lady tigers were ready to stop a two game losing steak and it all started with a tough game against Holy Spirit. We came out of the gate ready to play which kept the set close in the beginning. Holy Spirit pulled away late and stole the victory from us with some great serves and big time spikes. Second set started slow and the lady tigers fell behind 8-0, but they never gave up and stormed back to take the lead behind the crushing serves and spikes of Cali "are you scared of me" Quinlan, but it wasn't enough to guide us to a win. The lady tigers fell 2-0 in sets. Even though we lost the second set we were very proud of our tigers never give up mentality. Some tough games. We will get back on track next week. Great job by the girls!

7th Grade

The lady tigers came out hot...crushing to a huge lead in the first set and never looking back. Great serving by Kara "side-in" Sheeser and Addie "fireball" Teeters started the scoring out and the all around play of Kendall "dig it" Buffalo kept this set out of reach of the ladies from St. Agnes. The Second set was more of the same. Crushing serves with so much power all over making the gym floor look like potholes on a Maplewood street. The lady tigers were unstoppable and won the match 2-0.

The lady tigers were feeling good and with there two game winning on the line they were hungry for more. Big match up with Holy Spirit. We came out flat the first set and it cost us. It ended up being close but Spirit pulled away in the end winning the first set. Holy Spirit had upset on the mind, but these lady tigers are no Vikings and came out with fire in their eyes ready to put this Spirit to sleep. Second set was won by the tigers setting up a final game. The tigers were not going to let their winning steak go today. Sami "the crusher" McMenomy got things started with some crushing serves that had Spirit on their heels. We got some key net saves by Daniella "dive master" Johnson to keep the game close until we pulled away and won the set 15-11. Once again the girls kept there coaches on their toes until the end and kept the dream alive winning their third game in a row. Great job!

6th Grade

The 5th and 6th grade team had lots of games this week! We played Thursday against St. Pascal's, then three matches during the St. Agnes tournament, and another two this week against St. Ambrose White and St. Ambrose Red.

We won our first game during the St. Agnes tournament against Immaculate Conception! The girls were really playing well-working together and being aggressive to win us a victory! I have seen huge progress made by our team as we have found some excellent servers and started to push each other to go for the ball. It is really exciting to see the growth that I have over this past week.

This week will be just as jam-packed as last week with the Transfiguration 6th grade tournament! We will be playing four matches total on Friday night and Saturday morning, and then next week we have two more games on Monday and Wednesday that will hopefully be just as impressive as our match against Immaculate Conception. Wish us luck this weekend!

Athletic Director

Watch for volunteering opportunities. Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts.

In a few weeks there will be an announcement about winter sports registration.

Any questions can be directed to me. GO TIGERS!!!!!!!

Attached is the form from the Booster Club. They are always looking for new members and for people to continue being members. The Booster Club is a BIG help to the school and our Athletic programs.
