## TIGERS SOCCER NEWS

### 8th & 7th Grade

Monday's game got called because of poor field conditions. As the start of the game time was nearing it began to mist heavier than before and there was water standing at various spots on the field. The ref decided it was too dangerous for the players. We will check to try and find a make up day.

On this Saturday the team is set to play Christ Lutheran on our field at 9am.. Players should plan to arrive around 8:30am to 8:40am to warm up.

Next week we will try to get two games in before the MEA break. That will be the end of the regular season.

### 6th/5th & 4th Grade

It was a dark and drizzly day. Monday after school let out the team took on MPA starting at 4pm. There were a few sloppy spots. And the field showed more wear and tear as the game went on. MPA scored early to take a 1 – 0 lead. MPA was using a system of three on defense, three at the mid-field and four forwards. But our players adjusted to it and played well after falling behind. Henry A. got the equalizer about the mid point of the first half. Then soon before the half time whistle Garrett A. took a hard shot and the ball slipped through the hands of the MPA goal keeper. At half time the Tigers led 2—1. In the second half the drizzle came down harder. Balls that got hit didn't go far in the wet grass. About 10 minutes left MPA got called for a penalty in the box. The Tigers got a PK and Garrett A. took it and buried it to increase the lead to 3—1. But PA was not done. They put the pressure on and scored once again late in the game to make it 3—2, That was how it ended.

All the players were wet, and cold and tired. A well deserved win for the Tigers.

On Sat. the team is to play at 11:20am at home against St. Odilia. The players want to see how much they have improved, because that was the first team they played against to start the season.

## TIGERS VOLLEYBALL NEWS

### 8th Grade

We had a home game against a tough Highland Catholic team. The lady tigers were in the first set making things happen, but came up short on a couple points and lost the set in a close game. We came roaring out in the second set but could not handle the spiking power of Highland and lost the second set by a couple points. Great overall performance from the lady tigers they played with a lot of passion.

The lady Tigers traveled to St. Agnes for their second to last game. This St. Agnes is no joke, the first time we played them they put a pretty good whooping on us. The Tigers were ready and were not going to back down. First set we were down right away but fought back behind the serving of Cali "Ace" Quinlan. The tigers fought to the end but lost a close set. Second Set the lady tigers came out on a tear and went up 8-1 on the Aggie's. The set went back and forth with St. Agnes fighting back to tie the set at 21-21. In the end the tigers barely lost 25-23 the set and match. We were very impressed with how the girls played in this game really communicating to each other, never giving up and having fun.

### 7th Grade

Riding a 2nd place finish in the 7th grade tournament at Transfiguration last Saturday the lady tigers came out on fire. Everybody was on point serving, setting, diving and even a couple spikes. Before Highland could even open their eyes the lady tigers won the first two sets with ease taking the match 2-0. It was a great team performance from all the girls. We only have a couple more games till playoffs so lets keep this train rolling.

Once the lady tigers stepped into the gym they could see fear in St. Agnes eyes. First set they came out fast with the 1-2-3 serving of Ella G, Sami and Cali just destroying the ball. St. Agnes had no answer for our serves. The lady tigers went on to win the first set. Second set St. Agnes came out strong and took a big lead, but there was not giving up in these tigers. We finally tied the set at 18-18 and the tigers went on a tear to win the set 25-18 and match 2-0. A very powerful performance from Transfiguration and a great stepping stone to get ready for the CCA playoffs.

Thanks,  
Coach Ann, Coach Henry

## 6th Grade

Just one match since our last Athletic Newsletter- a very intense battle against St. Croix. We were suffering in the first game, up against some very consistent serving and several exciting volleys where the ball went back and forth, and we just couldn't quite keep up with it. We were also having trouble serving, with three of our first five servers missing their serves. But we were able to turn things around later in the game, with Livia serving four excellent serves in a row! We couldn't quite push back enough to win, but we were finally pulling in some points!

Our second game went much better! We had three girls in a row get all their serves over the net, and we were able to win points even after intense volleys back and forth. There were several moments where the whole team was working together to help each other get the ball back over the net! We won our second game with as much of a lead as they had when they won the first game!

Unfortunately, we couldn't keep our comeback moving for the last game, and they had us beat. But I am very pleased to see how well the girls were able to work together through that second game! This week we have practices and then we will be playing St. Patrick who the girls are really excited to try and beat, so we are all getting hyped up for this rivalry- and this time on our home turf Thursday night!

## Athletic Director

Watch for volunteering opportunities. There are only a few more volleyball games left in the regular season. Then it looks like we will get to host two days of playoff matches.

Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts.

The Winter sports registration form is attached to this newsletter. Students and families can begin to fill it out after the MEA break and send in the form and fee.

Any questions can be directed to me. GO TIGERS!!!!!!!

The Booster Club is a BIG help to the school and our Athletic programs. You can join anytime, but the sooner the better.
