Books, Books, Books

October is National Book Month and we want to hear from you! Did your Dad read a saint book to you growing up? What book would you recommend to your friend to bring them closer to Jesus? There is a poster at the Library for you to write down the titles of these books. All ages are welcome to join in the fun. Please take a moment to share your favorite *Catholic book* with all of us!

Making Rosaries

In celebration of the Feast of Our Lady of the Rosary, many gathered after Mass on October 7th to make rosaries. It was a wonderful morning for families and friends, ages 4-91 to enjoy beading, eating and socializing. All the rosaries will be blessed at our school Mass and donated to the school and church. Many thanks to the volunteers who helped make the rosaries.
