Kindness Rocks

Brownie Girl Scout Troop #57692 created a Kindness Rock collection that will be placed outside the school entrance. It is their hope that students take a rock for themselves, or give to others when they need a little kindness. Everyone is encouraged to paint/decorate messages of kindness on their own rocks to add to the collection for others to use/take.

Summer tutoring

If you are interested in having your child tutored this summer in reading and/or math, we have some teachers who will be instructing our students. This is beneficial for both students who are struggling, those who would like to get ready for the next grade, as well as those who are looking for challenge.

Please contact the teacher directly.
