## Medication in the Health Office

Attention Parents of Students with Medication. We kindly request that you plan to pick up all medications on or near the last day of school. We are unable to store medications at school over the summer for use in the fall. To maintain student's safety, we will not send home medication in a student's backpack. If you have any questions or concerns regarding medication pick up, please contact the school nurse at 651-259-4194

## Habitat for Humanity

Habitat for Humanity provides affordable housing to those in need and relies on volunteers to build the homes. Transfiguration is participating in a Habitat for Humanity build day on **Monday, June 4**. Volunteers are needed (and many businesses allow employees to volunteer without taking PTO). No previous building experience is necessary! Please contact Gretchen at ([gsonnen@transfigurationmn.org](mailto:gsonnen@transfigurationmn.org)) or visit <https://tchabitat.volunteerhub.com/lp/roofraisers/>

## Summer tutoring

If you are interested in having your child tutored this summer in reading and/or math, we have some teachers who will be instructing our students. This is beneficial for both students who are struggling, those who would like to get ready for the next grade, as well as those who are looking for challenge.

Please contact the teacher directly.
