Thank you from Student Council

Thank you to all the generous donors that contributed to the Gifts of Hope. Ms. Weingartz & her husband delivered the items to Union Gospel Mission this past Saturday and volunteers said that receiving these items after the holidays was so important as this is a slow time for donations, yet the need for the items remains high. Thank you for making a difference in our local community. It was very appreciated.

Computer Coding

All grades 1-8 started computer coding with Mrs. Preiner this week. It starts with STEM type activities that are not on the computer to work on teamwork, frustration and learning from mistakes. Stay tuned for more!

Chess Club

Chess Club practice will start **Wednesday, February 6th**.

It will take place in the school Library from 8-8:30am.

Registration sheets coming home soon.

We are still hopeful to have a couple parents/adults that are willing to volunteer their time to help the kids during practice. Please email tiger@transfigurationmn.org if you can help. Thank you!
