

Glorious Saint Joseph

(Prayer to Alleviate Parish Debt)

Glorious Saint Joseph, most chaste spouse of the Virgin Mary and humble foster father of the Christ Child, we beseech you through the merits and sufferings of your most Holy Family to hear our earnest prayer for the relief and alleviation of our parish debt, so that we might work ever more effectively for the glory of God and the salvation of souls.

You who were given the awesome charge of protecting and providing for the Author of Salvation, we beg you to hear our plea, dear father of the poor, the afflicted and the troubled.

Lend your mighty power to our cause, so that all may know of your glory and the invincible might of the humble, the just and the obedient.

We ask this, and all our prayers, in the strong and holy name of Jesus Christ, the Transfigured and Transfiguring One.

Amen.
