VOLUNTEERS

Through out the year there are needs for volunteers. In past years the people that have volunteered have been a great help. By doing so it reduces the costs in the Athletic program, plus it brings families together creating a stronger community. Any games in the gym are examples of events where we can use people on the scoreboard. And during tournaments we host and playoff games that are here we not only use people on the scoreboard but also at the gate. In addition, the Booster Club will look to sell concessions whenever they can. Stay alert and enter SUG (Sign Up Genius) to select your choices. The VB season is starting to show up in SUG, it is subject to change though. See the link on page 3. Thanks.

TIGERS SOCCER NEWS

8th & 7th Grade

On Saturday, 09/28 we played against Community of Peace. On our home field, with lots of family members on the sidelines cheering on the team. We scored first and at the half it was 1 - 0. I warned the players that Community of Peace would come out the second half on fire. I told them we didn't want a repeat of what happened at ICS a few weeks ago. We stood our ground, playing strong on defense and making attacking runs at them. Finally, we put a second goal in the net. But Community of Peace never let up. They scored a goal to make it 2 - 1. Several minutes later we made another attack on their goal and after a scramble in front of the net, Jordyn (in the right place at the right time) popped the ball into the net. Community of Peace still came at us and we and scored once again, late in the game. The final score was 3 - 2. Now we play next on Saturday, 10/05 at 2:10pm at the St. Odilia field against St. John the Baptist, who beat us in the first game of the season. But we are greatly improved and should give them a fight to the end.

TIGERS VOLLEYBALL NEWS

8th Grade

8th Grade Volleyball 09/30 V MMA

We headed back to the friendly atmosphere of Transfiguration gym to take on Maternity of St. Mary's/St Andrews. The Lady tigers came out firing on all cylinders the first game with some thunder serves and massive spikes to win 25-16. Second game was more of the same. The lady tigers were like a well oiled machine crushing MMA 25-6. Great win for us.

8th Grade Volleyball 10/03 @ Nativity

We hit the road for a game at Nativity. The Nativity fans came out tonight for a huge match up with the lady tigers. We jump out to a huge lead in the first game behind the serving of Cali "Thunderstruck" Quinlan.

The lady tigers cruised to a 25-11 win. Second game was more of the same the lady tigers came out ready to crush the spirits of all those Nativity fans jumping out to a 15-1 lead on to a huge win. We had a great week of games getting us ready for the Transfiguration tournament starting Friday, where we will face St. Agnes the only team to beat us this year. We are ready....

6th/ 7th Grade

This week was an interesting week for the team! The 7th graders were missing their teammates who were out of town Monday-Wednesday at Eagle Bluff on a school trip. I noticed a lack of energy that I think is at least in part because of their absence.

A big thank you to the three 8th graders who filled out our team this week! We would not have been able to play without you, and we enjoyed having the support.

In both our Monday and Tuesday games we struggled with our serving and energy levels, ultimately losing points because of a lack of communication and missed serves. Both games were close battles with our team falling behind right away, picking up speed to catch up, and then struggling to keep the lead. In our Monday game against MMSA we lost the first round, won the second, and narrowly came out ahead on the third for our fourth win in a row! Wednesday against Nativity was similar- we had a close game on the first and came out ahead, lost the second, and then finally pulled ahead for the win on the last game! Our record stands at 5 Wins, 1 Loss.

This weekend is the Transfiguration Tournament! We are looking forward to the challenge of playing against 8th grade teams. We would love for you to come and support us! Ms Luger is still looking for volunteers as well. Come watch and help with admissions, scoreboard, or concessions!

Go Tigers!

Athletic Director

Watch for volunteering opportunities. This Friday and Saturday we have our second tournament:
<https://www.signupgenius.com/go/30e0c4ca8a72ba5fc1-volleyball10>

October 8th we will be having fall sports pictures with life touch.

<https://order.lifetouchsports.com/index.cfm?event=OrderHome&contractID=170644>

Be aware that coaches, assistant coaches and volunteers need to be current with the VIRTUS training.

Any student athlete that wants to play on more than one team in the same season can explore that option, just be aware of the chance of more time conflicts.

Any questions can be directed to Jim Weingartz or Abbey Luger. GO TIGERS!!!!!!!
